“NO SCENTS MAKES GOOD SENSE”

It has been our policy to ask that our “Wilmoteers” be aware that scented products can cause allergic reactions in some of our members. This can be triggered by perfume and aftershave, but also by certain “fresh-smelling” laundry products, soaps, and hair products. Please pay attention to how you use them.

COFFEE & CONVERSATION: The summer is just around the corner and services for Downtown United (St. Paul’s and Wilmot) will begin here at Wilmot on July 1 for five weeks. During the year, our various Committees graciously take on Coffee and Conversation. THANK YOU! However, in the summer, we simply ask for some volunteers. (tea, sweets, breads and conversation - perfect.) Let me know if you are able to help us out with one of the Sundays. Thanks, Ellen

100 Years of Being the Change

Our gifts for Mission & Service support the long-standing ministry of St. Columba House, a community ministry that is an important constant in the lives of those who are living on the margins in Montreal.

The year 2017 marked a very important milestone in the history of St. Columba House. Who could have imagined in 1917 that, a century later, the ministry would be celebrating 100 years of offering healing and hope to the most vulnerable members of the Pointe-Saint-Charles community?

From its beginnings as a place that only provided hot meals, to its current status as a leader in changing public policy in Montreal, St. Columba House has transformed many lives. It is now an organization on the cutting edge of emerging needs and innovative responses through its environmental programming. This includes a community gardening program, where participants develop their own balcony gardens, and beekeeping programs that allow participants to learn how to interact with bees at the ministry's own rooftop beehive.

St. Columba House, in partnership with United Church Ministries, Montreal City Mission, and Montreal Presbytery Justice and Global Ecumenical Relations Committee, has also created the Green Church Project to engage ministries in its ecological practices.

Together through our Mission & Service support we can celebrate with St. Columba House all the lives that have been transformed and look ahead to innovation for the future. We give thanks for its 100-year history and look forward with it to the next 100 years!

If Mission & Service giving is already a regular part of your life, thank you so much! If you have not given, please consider making Mission & Service giving a regular part of your life of faith. Loving our neighbour is at the heart of our Mission & Service.
