Acknowledgement of Traditional Territory: For thousands of years, Indigenous people have walked in this land, their relationship with the land is at the centre of their lives and spirituality. We are gathered on the unceded traditional territory of the Wolastowqiyik (Maliseet) and acknowledge their stewardship of this land throughout the ages.

### THE GATHERING

**Organ Prelude:** Jesus Our Companion (Hebble)

#### Welcome to the Church

#### Call to Worship:

In the rush of the wind,  
in a burst of light,  
in the “aha!” of an epiphany,

**Christ’s Spirit appears.**

In the singing of a babbling brook,  
in the crackling of a campfire’s light,  
in the whisper of a still small voice,

**Christ’s Spirit calls.**

In the crush of a crowd of thousands,  
in the loneliness of an empty room,  
in the beating of our hearts,

**Christ’s Spirit lives.**

## LISTENING FOR TRUTH

### Connecting to Our Hearts' Longing:

How may we approach you, Holy Mystery?

Through silence, speech, music?

On our knees, on wings of the morning?

**Teach us how to listen, how to love.**

**Plant seeds of hope where they may grow into fields of fairness and oneness.**

We know that we lose the Way, Redeemer and Friend.

**We expect harvests where we have not planted.**

**We lower our eyes instead of following your gaze.**

Sometimes, we know we are lost, sometimes we don't.

**Sometimes we glory in our excess as if we were gods.**

First awaken us to our costly ways, our uncomprehending habits.

**Then stir within us the need to be forgiven, to do differently.**

(music)
