

## WEEKLY E-LETTER

Dec. 21, 2016

Grace and Peace to you all this week before Christmas!

We are very excited about the Christmas Eve services planned and look forward to our celebration together.

I hope you are being very careful in these icy conditions. It is so treacherous to get around. Always keep your personal safety as the top priority when deciding whether and when to go out to church.

Tomorrow, Wednesday is our final Come and Find the Quiet Centre at 12:15 and later in the day, a Longest Night Service at St. Paul's.

Thank you to the U.C.W. for a lovely luncheon on Monday - postponed from the Monday before. Great community spirit and goodwill is in huge supply.

I need more ushers and greeters for the 7 p.m. service on Christmas Eve. Can you help welcome in the wider community? Call me please. Thank you to those who have already done so.

I am working on the January 1st service. We will have a worship service that day - weather permitting.

Do check out our updated website if you have access to a computer. It is looking fresh and alive thanks to our webmaster, Dylan Sweeney. If you need any updates or changes please let me know. If we have to cancel a worship service, please check the web site as well as the office voicemail.

Let me take this opportunity to wish you all a very blessed Christmas and a healthy, fulfilling new year. If you are traveling, I wish you 'travelin mercies'.

In Advent peace,

Rose~Hannah
