

## **WEEKLY E-LETTER**

May 16, 2017

Grace and Peace to you this week!

We are now past the middle of May so I feel certain, despite the evidence - that spring is around the corner. Our thoughts and prayers are with those who are suffering the devastation of flooded lakes and rivers.

This week we will read from Acts chapter 17; maybe you would like to read that section of the Book of Acts.

There is a final information session of remit 4 this Thursday at 7pm. I am hoping all Council members can attend so as to prepare themselves for the vote on that remit at the May Council meeting.

There will be another meeting of what has become the Visionaries group , this week on Wednesday evening. This involves people from many of the United Church of Canada congregations in town and nearby, discussing ways in which we can better work together. The meeting is open to anyone who is interested so feel free to come to Nashwaaksis United at 7 p.m. this Wednesday evening.

We will mark Aboriginal Sunday on June 25th with a special service. Please watch the short video from The United Church of Canada by copying this link into your browser.
